

Instructions for Language Lists

This PDF is laid out with one Language List per page. The lines should be used as a guide when cutting.

Each card should be printed on Green paper or card.

You can choose to print out the full colour version or the lists where each word is written in light grey. Outline the letters yourself and highlight the phonogram in Red.

Make sure each card is exactly the same size and laminate them.

Put the cards onto a green tray or directly onto the shelf.
